

QUESTIONS TO ASK BEFORE HAVING IMPLANTS ABROAD

- What is the appointment and treatment plan?
- What brands are used for the implants?
- Is the clinic registered to or regulated by a recognized authority?
- Does my insurance in my home country work there? If yes, to what extent?
- Who will be my dentist?
- What is the dentist's qualification?
- Do the staff at the clinic speak your language? Is there a translator provided?
- What is the risk of complication? How do you deal with that if it happens?
- When will I come back for the crowns?
- How is the guarantee and aftercare procedure?
- How can I see some references or testimonials?
- Do you provide/help me with travel and accommodation, too?
